Assistant Commissioner for Patents
Washington, D.C. 20231THIRD PRELIMINARY AMENDMENT

Sir:

Preliminary to examination on the merits, please amend the above-identified application as follows:

IN THE CLAIMS:

Please amend claims 1, 67 and 113 as follows.

1. (Twice Amended) [An apparatus] A computer for managing communications between an expert and an end user, comprising:

a controller unit for receiving from an end user an end user request that defines a requested expert qualification, the controller unit having a database for storing a plurality of expert qualifications, each stored expert qualification corresponding to an expert of a
